**REQUEST FOR REVIEW**

Pursuant to Sections 54.719(c) and 54.721 of the Federal Communications Commission ("Commission" or "FCC") rules, 47 C.F.R. §§ 54.719(c) and 54.721 (2004), Colegio San Francisco de Asis ("San Francisco de Asis") hereby appeals the decision of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company to deny the requested discount on Internal Connections in Funding Year 2005 (07/01/2005 – 06/30/2006) of 80%.

**I. BACKGROUND**

On February 18, 2005, Colegio San Francisco de Asis filed a FCC Forms 471 with the SLD indicating the services for which it was requesting discounts under the schools and libraries universal service support mechanism (the "E-rate program").<sup>1</sup> On Block 4 of its Form 471 applications, Colegio San Francisco de Asis indicated that 82 out of 146 students enrolled during the 2005-2006 academic year qualified for a free or reduced price lunch under the National

School Lunch Program ("NSLP") and requested an 80% discount on all of its funding requests.<sup>2</sup>

During San Francisco de Asis's application review, the SLD's PIA reviewer requested documentation supporting the eligible discount rate for the school.<sup>3</sup> Specifically, the information request, which was delivered to, requested the following information:

1. The total number of enrolled.
2. Total number of surveys/applications sent out
3. Number of survey/application returned
4. Total number of students that qualifies for the National School Lunch Program, using the Income Eligibility Guidelines (IEG) of the NSLP, per returned surveys/applications
5. Are the surveys/applications and results kept on file.
6. Provide a sample copy of the FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
7. A signed certification that reads: "I certify that only those students who meet the Income Eligibility of the National School Lunch Program have been included in Column 5 of item 10b, Block 4 (Worksheet A) of the Form 471."
8. The information must be in writing on the school letterhead and signed by a school official (such as the Principal, Vice - Principal Superintendent, Director of Food Services).

On December 09, 2005, San Francisco de Asis provided the information requested to the SLD on the school letterhead and signed by the school Director, Celestino Mercado.<sup>4</sup> In its response, San Francisco de Asis indicated that there were 140 students enrolled, that 140 surveys/applications were sent out and that 116 surveys/applications were returned. It also indicates from those 116 survey/applications returned 82 students qualifies for the NSLP, that the surveys/applications and its results are kept on file and certified that only the students who meet

the IEG of the NSLP had being included in Column 5 item 10b of block 4 (worksheet A) of the Form 471. San Francisco de Asis also provided a sample copy of the socio-economic survey<sup>5</sup>.

On March 24, 2006, the SLD issued a funding commitment decision letter denying the discount rate of 80%. The SLD provided as explanation on the reason for the percentage reduction the following statement: *Service/Discount will not be funded.*

It is our assumption that the SLD established the basis for the decision of denying an 80% discount requested on the conflicting information provided by San Francisco de Asis in the submitted SLD Form 471 and the response to the PIA request for information. (Exhibit A) **San Francisco de Asis submitted in filing the SLD Form 471 with inaccurate information on Block 4 column 4 (146) and on Block 4 column 5 (82)<sup>6</sup>.** This number is not consistent with the information provided in the applicant response to the request of information **due to a change on the number of students enrolled after the form was filed. Exhibit D provides the correct information (numbers) to calculate, following the FCC rules and procedures the exact number of students for Block 4, Column 4(140) and Column 5 (82).**

The survey, which had been provided to the SLD during the PIA review process, asked parents to provide the size of the family, the number of students enrolled in the school, and the household income. Out of the 140 surveys distributed, 116 of the students completed the survey. From the 116 completed surveys, 82 (70.6 %) were determined to be eligible for a free or reduced price lunch under the NSLP in accordance with the Income Eligibility Guidelines of the U.S. Department of Agriculture. Following the SLD's guidelines we can get to the conclusion that in San Francisco de Asis 82 students, or 70.6 % of its student population, qualified for a free or reduced-price lunch under the NSLP. Using the discount matrix set forth in the FCC rules, a

<sup>6</sup> Exhibit A

school with 70.6 % of its student population eligible for the national school lunch program qualifies for 80% discount under the schools and libraries universal service support mechanism.

**II. SAN FRANCISCO DE ASIS CORRECTLY DETERMINED THE PERCENTAGE OF STUDENTS ELIGIBLE FOR A FREE OR REDUCED-PRICE LUNCH UNDER THE NSLP.**

**Although San Francisco de Asis erroneously filed an SLD Form 471 with inaccurate information on Block 4, alternately, when requested submitted sufficient evidence to the PIA to demonstrate the percentage of students eligible for a free or reduced – price lunch under the NSLP. (80%)**

Under the Commission's rules, the discount available to a particular school is determined by indicators of poverty and high relative cost of service.<sup>7</sup> First, the level of poverty for schools is measured by the percentage of their student enrollment that is eligible for a free or reduced-price lunch under the NSLP or a federally-approved alternative mechanism outlined in Title I of the Improving America's School Act (IASA).<sup>8</sup> These federally-approved alternative mechanisms include data comparable to the NSLP data that is collected through surveys. As the Commission has acknowledged, surveys are particularly relevant to schools that many not have access to NSLP data, such as private schools.<sup>9</sup> Second, a school's high-cost status is derived from rules that classify it as urban or rural.<sup>10</sup> The Commission's rules provide a matrix reflecting

<sup>8</sup> 47 C.F.R. § 54.505(b)(1), *Federal-State Joint Board on Universal Service*, Report and Order, CC Docket No. 96-45, FCC 97-157, 12 FCC Rcd 8776, ¶¶ 508-09 (rel. May 8, 1997).

<sup>10</sup> 47 C.F.R. §§ 54.505(b)(3)(i), (ii).

both the school's urban or rural status and the percentage of its students who are eligible for the school lunch program to establish its discount rate, ranging from 20 percent to 90 percent.<sup>11</sup>

Because NSLP data is unavailable for San Francisco de Asis, it used a federally-approved alternative mechanism that relies on actual counts of low-income children to determine the level of poverty.

**III. THE SLD ERRONEOUSLY CONCLUDED THAT SAN FRANCISCO DE ASIS QUALIFIED FOR AN 80% DISCOUNT AND FAILED IN NOT REQUESTING ADDITIONAL INFORMATION TO THE SCHOOL AND CLARIFY THE CONFLICTING INFORMATION.**

San Francisco de Asis submitted to the SLD exactly what it was asked to submit: (a) the total number of students (140 students), (b) the number of surveys/applications sent out (140), (c) the number of surveys/applications returned (116) (d) the number of students qualified to participate in the NSLP, (82) (based on the SLD projection guidelines), (e) if the survey/applications were kept on file, yes, (f) and (g) certification that only students that meet the IEG of the NSLP have been included in Column 5, item 10b of block 4 (worksheet A) of the Form 471. In addition, San Francisco de Asis provided a sample copy of the socio-economic survey conducted by the school. No additional documentation supporting the eligible discount rate for the school was requested.

**IV. CONCLUSION**

San Francisco de Asis provided clear evidence to the SLD that it qualified for an 80% discount under the E-rate program since 82 out of 116 students (70.06 % of the student population) were eligible for a free or reduced price lunch under the NSLP. This data was

<sup>11</sup> 47 C.F.R. § 54.505(e).

collected through a survey that was conducted in accordance with the SLD's guidelines.

Furthermore, the school provided the SLD with all the information that was requested during the application review process. Therefore, the SLD erred in its decision of denying the discount rate from the requested 80%. Therefore, San Francisco de Asis respectfully requests that the Commission reverse the SLD's reduction on percentage discount requested and grant its applications to be funded at an 80% discount.

Respectfully submitted,

The Program Integrity Assurance (PIA) team is in the process of reviewing all Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the federal universal service program. We are currently in the process of reviewing your Funding Year 2005 Form 471 Application. To complete our review, we need some additional information. The information needed to complete the review is listed below.

1. For the Billed Entity listed below, we do not have the associated FCC Registration Number (FCC RN). The FCC, in its Fifth Report and Order, requires entities that currently participate in the Schools and Libraries Support Mechanism have an FCC Registration Number. This requirement applies to schools, libraries, non-instructional facilities, consortium leaders, service providers and consultants.

BEN	FCC RN
157732 (Academia Cristo De Los Milagros)	
159938 (Colegio San Benito)	
199857 (Colegio Catolico Notre Dame Elemental)	
199867 (Colegio San Jose Elemental)	
199998 (Academia San Alfonso)	
200008 (Academia Santa Teresita)	
200051 (Colegio Catolico La Merced)	
200062 (Colegio Santiago Apostol)	
200253 (Colegio Corazon de Maria)	
200273 (Colegio Nuestra Senora del Perpetuo Socorro De Humacao)	
200279 (Colegio San Francisco de Asis, Inc.)	
216679 (Colegio San Jose Secundario)	
219945 (Superintendencia Esuelas Catolicas Diocesis Caguas)	

If you already have an FCC Registration Number for your Billed Entity (the entity listed in Block 1 of the Form 471), please provide that FCC Registration Number.

If you do not yet have an FCC Registration Number, you can obtain one by applying to the FCC, at [www.fcc.gov](http://www.fcc.gov). Click on link for CORES (Commission Registration System), or go directly at the FCC CORES registration site at <https://svartifoss2.fcc.gov/core/CoresHome.htm>.

After obtaining the FCC Registration Number, please provide us the FCC Registration Number.

Additional guidance on this topic and filing tips are located in the References area of our website, under "FCC Registration Numbers" <http://www.euniversalservice.org/whatsnew/2004/10/2004.asp#102904>

You will need your Taxpayer Identification Number (TIN) to obtain an FCC Registration Number. For some employers, including state and local government agencies and non-profit organizations, the TIN is the IRS-issued Employer Identification Number (EIN).

2. For FRN 450013, 451295, 463208, 475058, 480448, 490707, 492866, 493388, 492375, 490318, 491622, 490746 & 485356 for Internet Access services, please provide a statement that the services will only be delivered to eligible users at eligible locations. The rules of this support mechanism do not allow for services or products to be provided to residential homes or other non-school/library facilities (i.e., students and teachers may not dial in from home to access the Internet; there can be no community access, etc). "Remote access" where users from any location use their own Internet account to access school or library information, is eligible for funding. If this funding request for Internet Access is strictly limited to services used only at eligible locations by eligible users, then please confirm in writing the following:

"The Internet Access service for which I seek discounts will be strictly limited to providing services only at eligible locations and used only by eligible users. Access to the Internet will not be provided to homes or other non-school or non-library sites."

Signed \_\_\_\_\_  
Name \_\_\_\_\_  
Title \_\_\_\_\_  
Date \_\_\_\_\_ 2005

The above statement must be signed by the chief school official (such as the principal or superintendent). If you are unable to make such a certification, because the statement is not correct, please indicate such.

3. For the Internet Access funding requests on applications 450013, 451295, 463208, 475058, 480448, 490707, 492866, 493388, 492375, 490318, 491622, 490746 & 485356, I will need to know the make and model numbers of any equipment included in this request and that will be serviced under the maintenance charge. Please also provide a Yes or No answer to the following 8 questions:

Based on the documentation provided it appears that there charges associated with on-premise equipment. The FCC has indicated that equipment at the applicant site is presumed to be Internal Connections, but that this presumption can be overcome in certain circumstances. In order for us to evaluate your request, please provide the following information. You may consult with your service provider for assistance, if desired. Please be sure to sign your response and list your title.

1. Is the leased on-premise equipment an integral component of a Telecommunications or Internet Access service?
2. Will the leased on-premise equipment be provided by the same service provider that provides the associated Telecommunications Service or Internet Access service?
3. Does responsibility for maintaining the equipment rest with the service provider?
4. Will ownership of the equipment transfer to the school or library in the future?
5. Does the relevant contract or lease include an option for the applicant to purchase the equipment?
6. Will the leased equipment be used at the applicant site for any purpose other than receipt of the eligible Telecommunications Services or Internet Access of which it is a part?
7. Will the school's or library's internal communications network function without dependence on the equipment?

3. Are there any contractual, technical, or other limitations that would prevent the service provider from using equipment that would normally be shared in other similar arrangements with other customers?

4. Based upon review of your Form 471 application, we were not able to validate your requested discount percentage of:

2024 for Colegio Cristóbal Negro Domo Plasmad  
2024 for Colegio San José Elemental  
2024 for Colegio San José Acordel  
2024 for Colegio Carrasco de María  
2024 for Colegio Nuestra Señora del Perpetuo Socorro De Huanacaca  
2024 for Colegio San Francisco de Asís, Inc.

If you choose to validate your original requested discount percentage then please provide the appropriate documentation if one of the following acceptable methods were used:

- A. If the school participates in a National School Lunch Program (NSLP), please provide us a signed copy (preferably by the Principal, Vice-Principal, Superintendent or chief school official, or Director of Food Services) of the October Reimbursement Claim Form that the school sends to the state each month. Make sure that the following 3 items are identified:
- 1) The Entity name
  - 2) The total number of students enrolled at the entity.
  - 3) The total number of students eligible for Free/Reduced Lunch Program for the entity

If the school district fills out an aggregate form for the school district, provide the October Reimbursement Claim Form along with a signed letter from a school official (preferably the Superintendent (or chief school official)) that lists the enrollment and Free/Reduced information for each school in the district.

B. If the discount percentage was determined by information obtained from a survey/application, please provide the following information:

- 1) Total number of students enrolled
- 2) Total number of survey/applications sent out
- 3) Number of survey/applications returned
- 4) Total number of students qualified for NSLP per the returned survey/applications
- 5) Are the survey/applications and results kept on file.
- 6) Provide a sample copy of a FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
- 7) A signed certification that reads: "I certify that only those students who meet the Income Eligibility Guidelines of the National School Lunch Program have been included in Column 5 of Item 9a, of Block 4 of the Form 471."
- 8) This information must be in writing on school letterhead and signed by a school official (such as the Principal, Vice-Principal, Superintendent or chief school official, Director of Food Services).

C. If the discount was determined using a different method than what was identified above, please indicate the method that was used and provide all relevant data.

Please clearly state whether all Internal Access requests include the same equipment and meet the same guideline.

5. Based upon review of your Form 471 application, we were not able to validate your requested rural classification for Colegio Nuestra Señora del Perpetuo Socorro de Humacao. The discount percentage for an entity is based on the entity's rural/urban classification and the percentage of students that meet the income eligibility requirements of the National School Lunch Program (NSLP). If the rural classification cannot be verified, the entity will be classified as urban and the discount percentage requested will be modified. Please provide the entity's physical address, the county in which it resides, and any documentation supporting your request for a rural status.

6. For application 485356, FRNs 1343223 & 1346841, please provide a description of service (local and/ or long distance) and the amount you are requesting for each FRN.

Please fax or e-mail the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested so we can complete our review. Failure to do so may result in a reduction or denial of funding.

Should you wish to cancel this application, or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s); along with the application number and/or funding request number(s), and the complete name, title and signature of the authorized individual.

Please send the requested information within seven calendar days. If you need additional time to prepare your response, please let me know as soon as possible.

Thank you for cooperation and continued support of the Universal Service Program.

Sincerely,
